Congratulations to our Director Marla Allisan JD, LICSW

Marla has shared her family's story in an essay published in the July newsletter of Resolve of New England. Here's a link to the essay if you'd like to read it!

Also, look for Marla's regular column on adoption in the on-line magazine, Adoption Today! Marla was recently elected President of the Adoption Professionals Association of MA (APAM). She is looking forward to collaborating on professional development with valued colleagues in the adoption field.

Welcoming additional members of our Board of Directors and Advisory Board!

Please let us know if you would be interested in teaming up with Full Circle on our Advisory Board or Board of Directors. We'll have meetings in both Boston and Northampton for your convenience. You can make a small time commitment or have a larger involvement - we're open to your ideas and grateful for your help. Let us know!

Full Circle Advertising Expansion

Linked below are the proofs for our new ads that will appear around the country beginning in August 2011. We want expectant parents to know of our program and services. When you open the attachment, you need to scroll down - we are using both ads to be responsive to racial diversity in the country.
