

ONE OF OUR HAPPY FAMILIES WITH THEIR NEW BABY GIRL

INCLUDED IN THIS ISSUE

Dear Friends and Families,

Hello everyone! It has been a busy past few months for us here at Full Circle. We want to keep you all updated on what we have been busy doing and what is coming up next for our agency.

As always, feel free to refer family and friends to our agency for a free orientation with Marla in Arlington on the weekends.

Our agency is working hard to provide services to all who contact us. With this, we are honored to say that we had two beautiful babies born and placed in the month of April. A beautiful baby girl

was born in Florida a few weeks ago and a beautiful baby boy was born last week in Massachusetts. Both were placed with two of our awaiting families. It thrills us that we were able to help give this gift of family to not only one, but two families recently.

With spring in the air, we are very excited to also announce two fundraisers coming up: Valley Gives and our partnership with Chipotle in Hadley, MA.

We hope all is well with everyone and hope to see you at our upcoming events!

In addition to viewing our profile, you can explore the Valley Gives

website to read about their mission and the various other organizations that are taking part this year.

On May 2nd, or earlier, visit our page again and make a donation. When making a donation, there are a few things to keep in mind: your donation is tax-deductible, donations can be made by credit or debit card, and a minimum donation scale is set at \$10 with no maximum limit.

Advanced donations begin as soon as April 25th. If making an advanced donation, know that your transaction will not be processed until May 2nd.

We are very excited for Giving Day to be here and we hope that
